

FAST TRACK TO COMPLIANCE

electronic Supplier Agreement

- eSA tracks your supplier contracts and insurance
- Reminders and notifications for expiring contracts/insurance
- Produces agreements quickly and easily
- Agreements maintained by specialist lawyers
- Stores details of contractors' Police Checks
- Automatic online supplier directory and industry rating feature

CONNECT FOR ADDED BENEFITS

- Transfer relevant data automatically from supplier register (eSA) to maintenance register (eMR), and vice versa
- No data duplication, saving you time and money
- Data accuracy and currency maintained
- Covers product/service suppliers, as well as maintenance suppliers

electronic Maintenance Register

- eMR manages your maintenance requirements easily and conveniently
- Upcoming scheduled maintenance highlighted
- Automatic reminders for maintenance visits
- Reports electrical tagging compliance
- Notifications for out-of-hours breakages
- Tracks breakdown maintenance
